## **Endodontics Faculty Position in Department of General Dentistry**

Boston University Henry M. Goldman School of Dental Medicine – Department of General Dentistry

Part-Time/Full-time, Non-tenure Track

### **Position Description**

Boston University Henry M. Goldman School of Dental Medicine (GSDM) seeks applicants for a part-time/full-time non-tenure track position in the Department of General Dentistry at the Clinical Assistant Professor level. This position requires applicant must have a DDS/DMD degree (or foreign equivalent), completed advanced training in a CODA approved endodontics program with teaching and/or private practice experience, and be eligible for full or limited dental licensure in the Commonwealth of Massachusetts.

GSDM, located on the Boston University Medical Campus in Boston's historic South End, is the premier dental school in Boston serving the needs of a diverse, multicultural patient base. As a leader in the area of digital dentistry, the Henry M. Goldman School of Dental Medicine offers a highly advanced, collaborative learning environment in which teaching, research and community service are uniquely combined to prepare tomorrow's dental professionals.

The Henry M. Goldman School of Dental Medicine promotes excellence in learning through innovative collaborations, external partnerships, and a strong commitment to diversity and inclusion. We seek support and promote diversity in our faculty and staff to broaden students' academic experience and to enrich our campus community. Candidates must be sensitive to the needs of and possess an interest in working in an academic community that is diverse with regard to gender, race, ethnicity, religion, nationality, sexual orientation or identity, disability status, age, and protected veteran status.

Boston, the capital of the Commonwealth of Massachusetts, is the 21st largest city in the nation and is consistently ranked as one of the best U.S. cities for students with access to world-renowned educational resources, outstanding cultural institutions and major professional sports teams. As the business and educational hub of New England, Boston is a sought-after recruiting ground for international employers. Outstanding transportation resources provide easy access to New England and metro NY/NJ destinations and one of the nation's busiest international airports is located 15 minutes from central Boston offering direct daily flights to Asia, Europe, the Middle East and other destinations.

### **Basic Qualifications**

#### Requirements:

- DDS/DMD degree (or equivalent)
- Completed advanced training in endodontics post-graduate residency training from a U.S. accredited school

- Applicants must be eligible for full or limited dental licensure in the Commonwealth of Massachusetts
- Demonstrated record of teaching experience, involvement in leadership in dentistry at the local or national level, with participation in community service also being desirable

**Preferred Qualifications:**

- Board Certification
- Prior teaching experience
