

Premier private practice with multi-doctors and six locations in desirable suburbs of Boston. Seeking hard working and patient-first associates for a 4 day/week position. This extraordinary group practice has been trusted by patients and dentists for over 55 years. Candidates must be compassionate, personable, and work well with a team. Other requirements: Massachusetts license or qualify for licensure by credentials (if not, practice will assist candidate in obtaining MA license); a graduate of an accredited dental school and endodontic graduate program. Board certification is preferred (if not, practice will assist in obtaining Diplomate status).

Seeking energetic professionals who are eager to go above and beyond to accommodate our patients' and existing referring dentists' needs, as well as cultivate/develop new referral relationships. Candidates will enjoy working with state-of-the-art technology, wonderful staff, and collegial partners. Competitive compensation, full benefits, great demographics, and the opportunity to thrive with a practice that has earned a sterling reputation throughout its half-century plus existence. Associateship leading to partnership.
